- Custom message inserts are a fast and easy cross-sell tool

Open up your brand

3 Check Pad Inserts

9 Opportunities for your branded product & services messaging

CheckFolio interior base: 6 positions for messaging

- Cross-sell and introduce additional services and products
- Design your own custom inserts or select from our extensive library of templates

Connect with customers, build relationships, and deepen brand loyalty

Reinforce your brand — and affirm customers' choice of your institution — by delivering checks in a fully branded CheckFolio.

- Strengthen customer relationships and support greater engagement
- Deliver multiple branded impressions over the lifetime of the check order
- Distinguish your financial institution's brand from the competition

Custom CheckFolio + Custom Checks + Custom Checkpad Messaging = Maximum Reach, Lasting Impact

Create a fully branded, integrated marketing vehicle that your customers will see and access over and over again. *What other marketing channel can deliver a reach of nearly 100%?*

Transform your ordinary check delivery packaging into a powerful marketing vehicle that reinforces your brand.
